Hi Jeff, the Air Division has tentatively scheduled a conference call with State Senator de Leon's staff for Wednesday in response to the letter to Jared. (see brief message below)

Would you like me or someone else in Waste to attend this call?

I plan to reach out today to Nidia Bautista in State Senator Kevin De Leon's to set up a call for Wednesday, September 25<sup>th</sup> with Elizabeth Adams and Gerardo Rios to discuss the State Senator's invite to EPA to attend the Town Hall meeting on October 8th. If you would like to join this discussion, please let me know and plan to join this discussion in Elizabeth Adams office in room R1709.

We intend to discuss with Nidia EPA's limited role and how South Coast AQMD and DTSC have the lead with regard to Exide. Once I confirm with Nidia that she is available for a call, I will confirm with everyone. Thanks.
